Done to a Turn ROAST CHICKEN

POR several reasons our Chicken is superior. It comes of choice stock, fed carefully on specially prepared food, not scrapa. This balanced diet makes the flesh tonder and the flavor sweet and appetiting. The birds are shipped to us fresh killed and are cooked and served almost immediately. The skin is crisply browned and tender. The light meat is creamy white and fine grained, while the dark meat is very rich. The smooth delicate brown gravy is very savory.
